SUPPORT TRT BY USING COOP #26444 - PHASE 2 UPDATE

From COOP Article—August 26, 2025:

Dauphin Co-op is proud to introduce a new way for members and shoppers to give back to the community while doing their everyday shopping. A special charity Co-op number for Turtle River Trails is now available for shoppers to use when making purchases at any Co-op location in Dauphin or Ste Rose.

When Co-op #26444 is entered at the checkout, the equity earned on the purchase will go towards Turtle River Trails Phase Two. In 2023, Turtle River Trails was the recipient of \$85,000 in Co-op Community Spaces funding. Now that Phase One, the Community Walking/Biking Trail system is completed, we are excited to assist in raising the funds needed to proceed with Phase Two which includes the Co-op Community Family Nature Trails, formerly the Ducks Unlimited Trails in Ste Rose. This is set to be completed in the summer of 2026.

"Thanks to generous support from the Co-op Community Spaces program, this area will soon feature a variety of enhancements aimed at making it more engaging, accessible, and family-friendly.

Planned upgrades include:

- New interactive and educational signage thanks to the Thomas Sill Foundation
- Comfortable benches and designated resting areas
- Several scenic lookout hills perfect for nature viewing
- An interactive lookout tower offering panoramic views
- Natural wooden bridges and fun obstacle features that allow visitors to cross swamps and explore the diverse flora and fauna of this vibrant bird habitat. This rejuvenation project will create an inviting, educational, and inclusive outdoor experience for families, nature lovers, and visitors of all ages. Stay tuned for more updates as we continue building a space where community and nature meet!

We are incredibly honored to be the lucky recipients of the Co-op Community Spaces funding! This shows Ste Rose just how community-oriented Co-op always is!" said Marie Sorlie, Recreation Director, Municipality of Ste Rose and RM of Lakeshore.

We are in full support of this venture for the residents and visitors of Ste Rose. We thank the volunteer members of the committee and those taking the lead to make it a reality for their dedication and hard work. We know that this venture will be an incredible asset to our community.

"This is an easy way for our members and shoppers to make a difference," said Joan Chetyrbok, Marketing / Community Relations Manager. "Every time you shop with the charity Co-op #26444, you're not just buying groceries, fuel, or supplies – you are giving back to an organization that makes a real impact locally."

NEW AFTER SCHOOL PROGRAM WANTED

According to the local on-line Recreation Survey conducted this spring 45% of the surveyors want to see more local programming after school in public facilities, so Ste Rose Rec will be offering an afterschool program on Monday's from 4:00-6:00pm. We will have a variety of indoor and outdoor activities, healthy cooking classes, rec sports and games. These are for grades K-8. Teens are welcome to assist us with their creativity and hobbies. If this program is successful we will be adding more days, but this is a trial for now to see if there is interest out there.

There will be no cost for this program, thanks to Marie Blanchard Foundation/Prevost Foundation. Rec will be looking for local volunteers to host fun arts and workshops. Space is limited so sign up your kiddo(s) today with recdirector@sterose.ca (Marie) Volunteers are encouraged to contact Marie to assist with this program.

3rd ANNUAL RORKETON RIPPER HUGE SUCCESS!

The weather might not have been on the Ripper's side this year, but that sure didn't stop visitors, vendors and volunteers to come out and enjoy Manitoba Stock Dogs Association amazing dog and their handlers on August 22. This year was the highest number of entries with over 100+!!! Thanks to the oodles of sponsors and donations, the many community groups that came together and made this another amazing event for our area. Great to see so many faces come together for the wellness of their community! Kudos to all involved! Until next time....."That'll do Rorketon, that'll do!

BEGINNER ICE FISHING ANGLER CLASSES!

STE ROSE STINGERS FAMILY TOURNAMENT—THANK YOU'S!

Huge shoutout to Dusty & Ashley Rushinka for putting on an amazing slo-pitch tournament this weekend! Your hard work, organization, and dedication made it a fantastic event for everyone involved – players, fans, and the community alike.

A big shoutout as well to our Top 3 teams:

- 🥇 1st Place – The Outlaws
- 🥈 2nd Place – Slick's Peaches
- 🥉 3rd Place – Bomb Squad

Thank you to everyone who came out, played hard, and helped make the tournament such a success. Already looking forward to next year!
